Provide a Budget Plan. Include total costs, list other funding sources from which funding was received with the total amount received (i.e. fundraising events or contributions from other organizations):

Mission Statement of Organization / Statement of Purpose for Contribution Request (attach additional pages as necessary):

NOTICE TO APPLICANT

Please submit the following with your request:

1. Current academic grades for each school-aged child you are requesting a contribution for.
2. If your request is on behalf of an organization, submit a current copy of your § 7871(a)(1)(A, B, & C) or § 501(C)(3) determination letter.
3. Any related material pertaining to your organization or the intended purpose of your request.

Additional terms if contribution request is granted:

1. All Applicants that are granted funding must provide, at a minimum, a one page narrative report regarding how the contribution assisted and benefited the Community youth.
2. Photos are not required but are highly encouraged and accepted.

Grant Application Process for Organizations and large-scale youth projects:

1. The Salt River Community Children's Foundation operates an annual Grant Application process during the spring of each year. Please contact us to determine if the Grant Application process would better suit your organizations needs and intended purpose.
